

Shop Picks: Couleur Locale

by: Catherine Lazure-Guinard on Apr 21, 2016

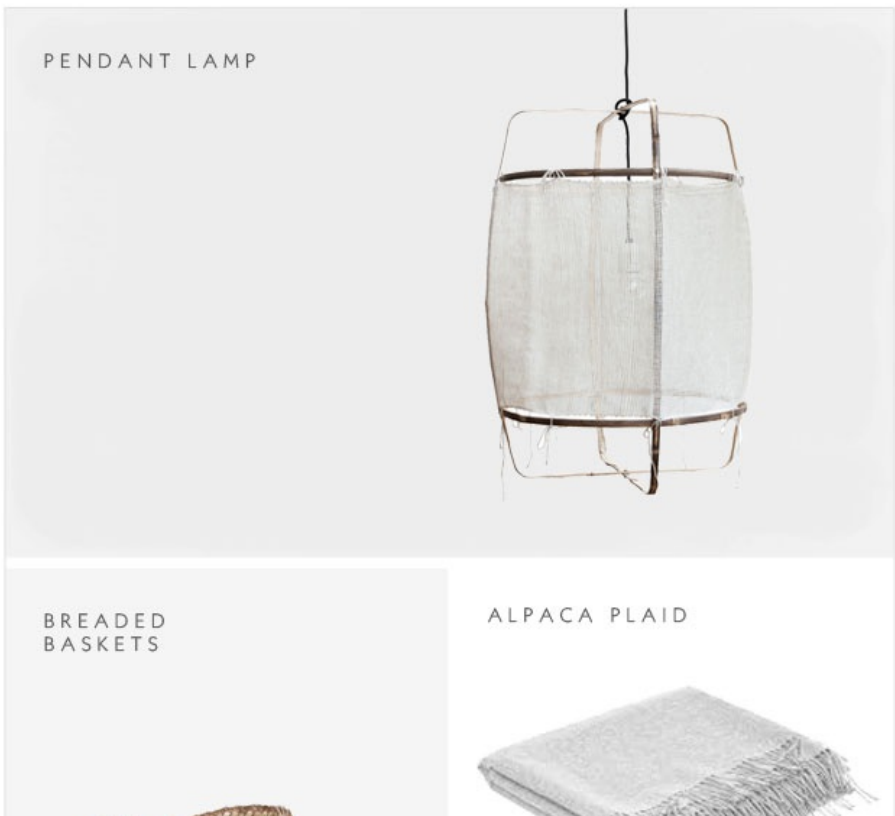

The Shop Directory is a one stop for design. It showcases the best online boutiques into one location, facilitating and enhancing the shopping experience. Selected shops have *that little something* that makes me want to come back for more. They have been selected for their uniqueness, quality, style and product assortment.

One of them is **Couleur Locale**. Ruth Walley, the founder, is passionate about traveling and discovering different cultures. Her shop is filled with her discoveries, fab finds and unique items that will add warmth and character to your home. Looking at the beautiful and inspiring images on the site, you will not only feel like redecorating, but you'll also get a serious case of wanderlust!

Couleur Locale ships worldwide from Belgium.

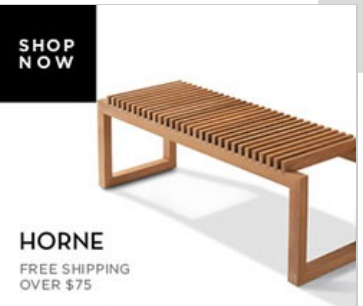

Here are my top picks from this lovely shop.
